## MEMBERSHIP & DONATION FORM

The *Australia West Papua Association* is an organisation that works to educate people about the situation of the Melanesian people who live in the Western half of the island of Papua New Guinea. We support their right to a genuine act of self determination to decide their future, a right that has been denied them since Indonesia invaded their country.

We produce a quarterly newsletter, hold various activities, lobby Governments, fundraise for projects in West Papua and support West Papuan refugees in Australia.

If you are interested in finding out more about West Papua, please complete the form below.
